jeanneau Sun odyssey 45.2

135 000 € ALL TAX INCLUDED

Description

The direct successor of the SO 45.1 was built for the first time in 1999. A look at the quality of the interior (massive teak wood), which can only be found on boats for the luxury market, will impress you. Teak woodwork of this level is not only beautiful, but also robust and durable. This is a 3-cabin version with a very large front-aisle cabin, as it can be converted to a 4-cabin version if necessary.

Pantry on the port longitudinal side and salon (very nice table) on the starboard side. Also on starboard a real card table, spacious and well designed.

Outside, the cockpit is really spacious, 6 adults do not sit cramped for a second. The two steering wheels leave enough space in the middle.

Tailed with large rolling sail and rolling genoa, the 3 tons of ballast allow the Sun Odyssey 45.2 to perform as well in the wind as a keelboat with cabins is possible.
