## Description

---

The legendary Feltz aluminium one-tonner: Kühnezug Goldkatze 41 was converted into a smart cruising yacht inside in 1992. On the outside, the look of a racing yacht has been preserved, as has the rig, so the sailing characteristics are still impressive.

Up to 6 berths and a toilet room with bathtub! In addition, there are many and large storage options. In the foreship is a walk-in sail load with full collision bulkhead made of aluminum to the cabin.

The sail area is 84sqm.

Berth on the Baltic Sea can possibly be taken over!

Exclusively on offer at Michael Schmidt & Partner. Central Agent!
