Description

The Targa 9.60 / Targa 96 with centre cockpit is a robust, seaworthy cruising yacht made in Scandinavia, which does not have to hide behind "big names" such as Hallberg Rassy, Malö or Najad.

Ideal for family or blue water sailing. With a balanced amount of space, solid equipment and moderate draught, she is perfect for long-distance cruises.

Tank cleaning in 2018, inspection hatch for the tank available.
