Description

Solaris Power 44 Open is a luxury motor yacht that combines the elegance of Italian design, curated by Brunello Acampora, with exceptional nautical performance.

It stands out for its deep V hull, which guarantees extremely soft, dry and silent sailing even in rough sea conditions.

The cockpit is a large relaxation area with a dinette and a large sundeck, which can be further expanded thanks to the optional folding side bulwarks, creating a real "terrace overlooking the sea". The bridge is protected by an elegant T-Top and the foredeck houses a second and large sundeck.

Below deck, the 44 Open offers two double cabins, including a master cabin forward, and a spacious bathroom with separate shower cubicle.
