Description

The larger version of our new VR5, the VR6 is also all about space and unparalleled roominess. By combining Bayliner's category-leading Beam Forward design, and new Aft Advantage concept which increases the self-draining cockpit's seating area by adding the swim platform at the end of the running surface, this boat maximizes space and value like never before. Boat has been used in fresh water use only. Lying Chertsey.

KEY FEATURES- Beam Forward design with high gunnels creates more passenger space, under-seat storage and safety.- Exceptionally roomy cockpit thanks to our exclusive Aft Advantage design- Spacious cockpit seating converts to inviting U-lounge with addition of optional filler cushion- Enclosed changing room with optional port potty provides convenience normally found on larger boats- Standard integrated swim platform and optional platform extension are positioned further aft than comparable models adding interior space while providing the ideal staging area for water sports- Available Water Sports or Fishing Options let you customize the VR6 to suit your family's needs.
