ferretti yachts 53

380 000 € ALL TAX INCLUDED

Description

The Ferretti 530 is one of the most sought-after boats in its category, a model that has made history for its solidity, elegance and build quality. This unit stands out clearly from the market average thanks to the complete refit performed between 2021 and 2023, which positions it as one of the best opportunities available today in the 50–55 foot range. The Flybridge layout offers enormous space, superior livability and intelligent interior distribution that allows the boat to be used in a versatile way: family cruises, private charters, extended weekends or ownership's use. The fly is equipped with a cooking cabinet, refrigerator and large sundecks, making this area one of the real strengths of the boat.

On a technical level, the equipment is of the highest level: 11 kW generator, watermaker, bow thruster, full air conditioning, Yacht Controller, cockpit closure, wine cellar, washer-dryer, dishwasher and cockpit in teak treated 2025. The equipment is completed by a complete instrumentation with GPS, autopilot, radar, VHF, double data and chain counter.

The added value of this unit is the obsessive care with which it has been maintained: 2025 polishing, 2025 hull and zinc, ProSpeed treatment on shafts, propellers, rudders and flaps. All interventions are documented and demonstrable. This boat is the ideal boat for family cruises, long weekends and ownership's use.

Interior description

The interior of the Ferretti 530 is one of the main reasons why this model is so popular: brightness, volumes above the category and a design
