### Sports & Space

Lighter, faster and more versatile than its renowned 55 sibling, this powerhouse is your weapon of choice for adventurous days. Besides exceptional quality, comfort and performance, the 55 S comes with more space for your friends and toys. It's amazing the difference one letter can make.

### Centre Console

The centre console concept offers more space to walk, talk and chill on deck. The same goes for below decks, where there's room for up to four people to sleep, and a fully equipped bathroom. The large storage space for sports gear further adds to the user-friendliness of the Wajer 55 S.

Grab your sports gear, invite some friends and set-off to explore our S-Factor. Like its sibling, the Wajer 55 S was designed in partnership with Sinot Yacht Architecture and Design.

### Superyacht Tender – Wajer 55 S Tender

When you're accustomed to a certain luxury, it's hard to take a step back. With a Wajer 55 S as tender to your yacht, you don't have to. The 55 S can be operated by a single person, is easy to board and can be towed as a chase boat. Making her exceptionally suitable as a stylish support vessel.

### Navigation equipment:

AIS, Rudder angle indicator, Electronic engine control, Chain counter, Display, DSC vhf, Joystick, Plotter with GPS antenna, Co-pilot seat, Dynamic positioning system.
