Description

The Lagoon 60 is the stage of your dreams!

A new, more generous on-board entrance features wider steps for even greater comfort. They lead to a cockpit aft, giving you new perspectives and opportunities to enjoy life on board. Discover a unique experience, where every moment is precious and movement is fluid and free. Life on board has never been so promising.

Elegant, comfortable and reliable: Lagoon catamarans are designed to cross oceans to reach your dream destinations.

Lagoon, a brand of the Beneteau Group, is a world leader in the cruising catamaran market and shares your hunger for open water, your desire to explore the rugged coastline or a secret, fine sandy beach after a long voyage.

The large cockpit at the front of the ship is accessed through a door at the front of the salon and has a flat floor. It provides a comfortable, inviting space for relaxation.

"A large cockpit at the front, flush with the salon, enhances the harmony between the indoor and outdoor living spaces." - VPLP design

The Lagoon 60's aft cockpit is completely open to the sea and offers exceptional freedom of movement. The open terraces offer direct access for swimming. Designed to become your preferred living space, the aft cockpit benefits from safety and easy access through slightly angled steps.

The interior of the Lagoon 60 is comfortable and inviting. The model is available with four or five cabins. The four-cabin version has a bar in the salon and a kitchen below. In the five-cabin version, the kitchen is
