jeanneau Sun odyssey 380

299 900 € ALL TAX INCLUDED

Description

Are you looking for a modern, comfortable and versatile sailboat? This 2023 Jeanneau Sun Odyssey 380, equipped with a swivel keel and three cabins, has only been used very lightly and is in exceptionally neat condition.

This version combines excellent sailing characteristics with maximum flexibility. Thanks to the variable draught (approx. 1.29 – 2.70 m), the boat is perfectly suited for shallow inland water as well as coastal and sea sailing. Ideal for trips on the IJsselmeer, the Wadden Sea and the Mediterranean Sea.

The ship is currently equipped with a rolling mast installation (in-mast furling). If desired, it is possible to replace this rigging with a conventional mast with lazy-bag system. This modification can be realized upon payment of the associated service and installation costs. A unique opportunity to get your hands on an almost new Sun Odyssey 380 with the possibility of configuration according to your own sailing preference.

Navigation equipment:

AIS (Raymarine AIS700), Depth Sounder (Raymarine I70 display), Autopilot (Raymarine p70s autopilot met ACU400 + gyrokompass), Chartplotter (Raymarine AXIOM 7), VHF Radio (Raymarine RAY63 marifoon met handheld en speaker).

Staging and technical:

Anchor (Delta 16kg Geïnteregeerd in boegspriet), Battery charger (Victron 40AH), Deck Shower, Bow Thruster (Tunnel boegschroef), Platform, Teak Cockpit, Electric Windlass (Met kettingteller), Gang Board
