## Description

---

This Bavaria 34 with three cabins is a comfortable and practical sailing yacht known for its solid construction and smart layout. Thanks to the short keel, the ship has a shallow draft, which makes sailing on inland waterways, the IJsselmeer and the Wadden easy and carefree.

The interior is light and atmospheric, with warm wood tones and a thoughtful layout that makes the most of the space. The saloon offers a cozy sitting area and a neat galley with stove, oven, refrigerator and plenty of cupboard space. The three cabins offer comfortable sleeping places for the whole family or a group of friends, and the wet room with shower and toilet completes the stay on board.

In the cockpit, everything is clear and easily accessible. Thanks to the steering wheel, the pleasant seating space and the practical layout, the ship feels safe and relaxed, both while sailing and at the quay. The engine starts reliably and offers peace and security on every tour.

This Bavaria 34 is a fine ship for those who love comfortable sailing, cosiness on board and carefree holidays on the water. A solid and inviting yacht, ready for a new chapter with her next owner.
