Description

Lagoon 46 – Space, comfort and seaworthiness

The Lagoon 46 is a modern and comfortable catamaran that combines freedom and luxury. The spacious design offers all the comfort you need for leisurely tours or longer trips. The boat sails smoothly and stably, both on inland waterways and at sea, and is easy to operate thanks to modern technology and dual engines.

Inside, you'll find bright and stylish décor with a spacious saloon, a well-equipped kitchen and three comfortable en-suite cabins. The finish in warm wood tones and leather gives the interior a luxurious look, while large windows provide plenty of light and beautiful views over the water.

The Lagoon 46 at Nautisch Kwartier Stavoren is fully equipped and ready for departure. With reliable Yanmar engines, a powerful generator and modern navigation equipment, you can hit the water without any worries. Whether you want to enjoy the IJsselmeer quietly or plan a larger adventure, this Lagoon 46 offers comfort and freedom at all times.

Navigation equipment:

AIS (VHF B&G V100-B met AIS 500-transceiver), Rudder angle indicator, Chain counter (Windlass-afstandsbediening bij stuurstand met kettingteller), Log (B&G), Autopilot (B&G Autopilot-afstandsbediening), Chartplotter (B&G zeus), Control panel, VHF Radio (VHF B&G V100-B met AIS 500-transceiver met draadloze handset), Engine Measuring Instruments.
