riva 63 virtus x test api

1 390 000 € ALL TAX INCLUDED

Description

This 63-foot Virtus is a real eye-catcher, finished in a rare custom black that gives it a sleek, modern look that you don't see every day. Its fluid lines without handrails make it elegant and casual, a yacht that strikes from the first moment you get on board.

Inside, you'll find three spacious cabins, all air-conditioned and thoughtfully designed for comfort. Whether it's a weekend getaway or a longer trip, the interiors are spacious, welcoming and perfectly livable. On deck, everything has been designed for easy and pleasant sailing. The electro-hydraulic bimini provides shade when needed, and the zero-speed stabilizers keep the boat stable even when at anchor. There is space for a tender and water toys in the hydraulic garage, so impromptu adventures are always an option.

This yacht has been meticulously cared for: sheltered indoors during the winter and regularly maintained according to strict MAN guidelines. Recent upgrades, such as new coatings, an ice machine, refrigerator drawer, and updated navigation screens, keep it in top condition. Currently moored in Cannes, this Virtus is ready for you to get on board and experience its style and comfort firsthand.
