riva 51 turborosso

145 000 € ALL TAX INCLUDED

Description

This open model produced at the end of the eighties by Riva is characterized by the original red color of the hull from which it owes its name. The boat was in production from 1989 to 1993 and a total of 14 units were built.

The Turborosso has a more equipped and liveable cockpit than the previous 50 Diabla model thanks to its dinette that can be converted into a comfortable sundeck.

This example is one of the last produced as it was launched in 1993. The boat is in excellent general condition thanks to the total refit carried out in 2021-2022 during which the following works were carried out:

- New toilets
- New bilge pumps
- New autoclave and boiler
- New batteries
- Cockpit furniture painted as original
- New external cushions
- New awnings both summer and winter
- New charger

The engines were landed, completely overhauled and brought to 0 hours.

Boat faithful to the original configuration and equipped with a tender with a new 2.5 HP engine.

Boat with Polish flag.

More information available on request.

Below deck: spacious dinette with table and sofa on the starboard side
