## Description

New version of the iconic Tender model under the division of the Ferretti Group.

The salient features of this dayboat are the extraordinary maneuverability due to the extremely balanced deep V hull and the versatility of the cockpit spaces that from a welcoming dinette can be transformed into a large beach club thanks to the folding bulwarks that allow the owner and guests to enjoy life in the open air in direct contact with the sea.

The Wallytender X is the outboard version and the X stands for "euphoria" which is generated as a result of the very high performance guaranteed by the 3 outboard engines that push the hull over 50 knots of top speed.

This boat, configured in the full-optional version, is in excellent general condition and is ready to buoy.

More information available on request.

Through the small but functional aft platform equipped with a hydraulic gangway you can access the large and practical walkaround cockpit.

In the aft area, in front of the outboard engines, the comfortable sundeck has been placed in a central position. Characteristic of this area are the folding bulwarks that allow direct contact with the sea.

Proceeding towards the bow is the L-shaped dinette on the starboard side, while on the opposite side there is a functional bar-kitchen cabinet.

Further on the starboard side, protected by the rigid awning, the
