Description

The Primatist G41 Aero Top Evolution represents the combination of comfort and performance. It is a boat that allows navigation at high speeds in complete safety. A characterizing element is the Aero Top, an electro-hydraulically servo-assisted mechanism that allows you to experience the deck cockpit in all weather conditions.

This boat is in good general condition thanks to the various extraordinary maintenance works carried out:

- new trims
- hull polishing every year
- engines landed in 2023 and serviced in August 2024
- replacement of stern drive axles and propellers
- new air conditioning
- new fridge
- new batteries

More information available on request

The aft platform leads to the cockpit characterized by a large sundeck on the port side and, following, a dinette with a C-shaped table. On the opposite side is the bar cabinet and towards the bow the bridge with the seats for pilot and co-pilot.

Below deck, along the starboard side, is the galley, while on the opposite side is the dinette. The owner's cabin with its bathroom is located towards the stern while towards the bow is the VIP cabin with the adjoining toilet room
