## Description

The Itama 45 represents the pure Made in Italy open and is characterized by the sharp line of the profile and the famous deep V hull capable of offering high comfort in navigation even in adverse weather and sea conditions. The valid design of the hull also allows high performance thanks to the transmission with surface propellers. This model, launched in 2016, is in very good general condition and is fully equipped.

Boat with Croatian flag and VAT paid.

More information available on request.

The large teak aft bridge leads to the cockpit consisting of a comfortable aft sundeck, an outdoor dinette with an L-shaped sofa along the starboard side, while on the opposite side there is a small bar cabinet and the wheelhouse with seats for pilot and co-pilot.
