Description

The Princess F62 is a full-fledged flybridge yacht that offers a remarkable amount of space for her length. With her thoughtfully designed flybridge, she has two seating areas where you can comfortably enjoy with guests, on top of which there is also a spacious sun bed.

The spacious saloon on the main deck is connected to the outside world thanks to the beautiful high side windows. The cozy kitchen on the starboard side is located aft and flows seamlessly into the aft deck. The steering position has two full-fledged seats and a cozy seat on either side. Below deck, the F62 can accommodate six guests in three beautifully appointed en-suite cabins, which are bathed in natural light thanks to the elegant windows in the hull. This boat was originally delivered by us in 2021 and has various options such as; a gyro stabilizer, yacht control remote control, Flir camera etc. In short, a very fully equipped flybridge yacht ready for her new owner.
