

SALE PRE OWNED

princess S66

2 990 000 € ALL TAX INCLUDED

Description

This Princess S66 from 2022 is unmistakably present. Its sleek streamlined shape exudes a predatory vibe. A lightweight deep-V hull delivers on this promise with breathtaking agility of up to 38 knots. When she is anchored, peace descends on her generously furnished deck with, among other things, a spacious seating area on the foredeck and a "sports bridge" incorporated into the lines of the ship with sufficient seating for all guests. The hydraulic swimming platform and the tender garage form the perfect basis for all kinds of water sports. In addition to the enchanting exterior, it is also very stylish on the inside. Her cozy galley in the back, with an open dining area opposite, features sliding doors and a fully opening electric window that leads to the cockpit to create an al fresco bar. Below deck, eight guests can be accommodated in four cabins, three of which are en-suite.

OPTIONS:

- o Variable speed bow and stern thrusters with Hold-function docking facility and dual station controls
(Note: Standard bowthruster is uprated to 210 kgF and a 170 kgF sternthruster is fitted)
- o Seakeeper 9 Gyro Stabiliser – Includes upper helm control via the chart plotter screens
- o White
(with dark grey water line & black antifouling, hull & bathing platform fendering is white with stainless steel insert)
- o Walnut interior wood satin finish (galley, aft saloon and helm floors)
