princess V72

1 195 000 € ALL TAX INCLUDED

Description

This beautiful Princess V72 from 2012 has only run 789 hours and has been delivered new by us as an official Princess dealer to the current first owner. The boat has been well maintained over the years and equipped with various upgrades. In 2023, the teak deck and exterior cladding were renewed, the Raymarine screens were replaced in 2016 and the entire air conditioning was overhauled in 2022.

The boat has three spacious cabins, each with its own en-suite bathroom. The master cabin covers the full width of the boat and offers a magnificent view of the water.

The cockpit is spacious and has a unique fully cooled beer tap system. Furthermore, the boat is fully equipped with, among other things, a hydraulic bow and stern thruster, a fin stabilization system and an automatic shore power cable storage system.

In short, this neat and fully equipped boat is ready for her new second proud owner.
