princess V55

PRICE UPON REQUEST

## Description

NEW PRINCESS V55 STOCK BOAT 2026 – TRADE-IN NEGOTIABLE – FULL FACTORY WARRANTY – IMMEDIATELY AVAILABLE – WITH SEAKEEPER AND PASSARELLE

The V55 caters to V-Class enthusiasts who may be looking to step up in size and performance, as well as new Princess customers looking for elegance and purity. The resin-infused V-hull not only provides a smoother, more efficient ride but also creates more space below deck. Complementing this, there are two powerful Volvo D13 engines that deliver 2,000 hp with a top speed of up to 37 knots, making for an exhilarating ride whatever the weather.

The V Class range is characterised by its clear, flowing lines, accentuated by the panoramic knife-shaped hull windows that let in the natural light and open the interior to the world around it. The dynamic profile of the V55 hides a spacious interior, perfect for relaxing or taking longer journeys in ultimate comfort. Access to the interior is via the hydraulic bathing platform, which leads to a teak deck that runs through the entire living area. The cockpit connects to the main saloon via a cleverly concealed fold-down sliding door, which seamlessly integrates both living spaces. Plus, the electrically opening sunroof above the main deck allows you to really open up to the elements.

### EQUIPMENT

- o Twin Volvo D13-1000 (2x1000mhp)
- o Variable bow & stern thruster with hold function
- o Seakeeper Gyro stabiliser (NG9)
- o White Gel Coat Finish
