## Description

RODMAN 56 Flybridge from 2003 powered by 2 x 750hp Volvo D12.

Motor and anti-fooling maintenance are carried out every year.

The current owner has done restoration work: the electrical harness of the engines has been completely redone as well as the front upholstery and on the flybridge with terry cloth covers, and the bimini.

The electrical panel was refurbished, the batteries were replaced and the interior woodwork was renovated.

A unit that stands out for its comfort and volumes.
