Description

INNOVAZIONE E PROGETTI MIRA 43, a 2003 Italian express cruiser combining elegance, generous proportions, and excellent seaworthiness. This vessel belongs to a particularly meticulous owner who has maintained it with care and diligence since its acquisition. The boat is serviced by professionals, stored ashore every winter, and is currently in remarkable condition, both mechanically and aesthetically. Powered by twin 300 hp Volvo KAD 300 engines, this Mira 43 offers solid performance, comfortable cruising, and reliable handling. Its interior features three cabins and two bathrooms, a rare layout in this category, ideal for cruising with family or friends. The galley is fully equipped, the saloon is bright, and all living spaces have been designed to offer comfort and conviviality on board.

On the exterior, its spacious cockpit, aft platform, and attractive sporty lines make this model a pleasure to sail both at anchor and underway. It boasts a full range of equipment: navigation electronics, bow thruster, gangway, user-friendly cockpit, functional storage, and numerous comfort features that enhance life on board.

This model, ideal for coastal cruising as well as regular outings in the Mediterranean, combines Italian style, comfortable living, and mechanical reliability. An excellent compromise for those seeking a spacious, elegant boat ready to set sail immediately.

A robust and comfortable cruiser, meticulously maintained, and ready to offer many more wonderful sailing experiences.
