Description

The "Danae" is a classic sailboat built by the prestigious Sangermani shipyard, known for the quality craftsmanship and elegant style of its boats. The "Portofino" model stands out for being part of a line of exclusive yachts designed to offer refined navigation, with great attention to aesthetic and nautical details.

Here are some strengths that characterize this boat, based on the typical profile of the Sangermani "Portofino":

Classic elegance: harmonious water lines, precious woods and high-quality finishes.

Handcrafted construction: made of wood (mahogany or teak), with obsessive attention to detail.

Solid sailing performance: although classic, it maintains good seaworthiness.

Historical/collector's value: Sangermani is a highly appreciated name among enthusiasts and collectors.

Warm and welcoming interiors: in perfect vintage nautical style.
