Description

For sale – New from the shipyard: Solemar SE42 Sundeck
The new Solemar SE42 Sundeck combines the volumes and comfort of a real boat with the safety and navigation qualities of a dinghy, creating a unique hybrid.

Design and comfort: large fiberglass hard top that shelters the cockpit, with driver's sofa, chaise longue, functional wetbar and convertible dining area.

Spaces on board: large aft platform with sunbathing area and spacious lockers; in the bow, king-size sundecks with elegant stainless steel handrails and comfortable and protected passages with strategic handrails.

Performance: Oversized hull and tubulars for stability and optimized fuel consumption, reliable thrust of Volvo Penta D6 engines with DPI transmission, guaranteed autonomy and smooth navigation even over long distances.

The SE42 is the ideal boat for those who want luxury, safety and performance in a single boat.

Available to order – for a personalized quote we invite you to our headquarters in Fonteblanda GR. Appointment.
