### Key Strengths

#### Motorization

- 2 Yanmar diesel engines (shaft line): reliable, economical in consumption, ideal for cruising and fishing.
- Shaft line = easy maintenance and excellent offshore sealing.
- Good performance in weight/hull ratio (cruising speed ~20–24 kn)

#### Hull and navigation

- Shell designed for stability and progressive planing.
- Suitable for both family cruises and for more sporty outings or fishing.
- Improved maneuverability compared to larger flybridges.

#### Layout and habitability

- Large and well-equipped flybridge, with comfortable controls and multiple seats.
- Bright and refined interior
- Excellent use of space for boats under 12 m.

#### Versatility of use

- Perfect for:
- Family cruise
- Sport fishing
- Life on board for weekends or weeks
