ferretti yachts 590

420 000 € ALL TAX INCLUDED

## Description

---

This Ferretti 590 from 2004 represents one of the best opportunities on the market for those looking for a prestigious, solid, reliable flybridge with important work already carried out. A Ferretti project that still convinces today for its lines, spaces and construction quality, with a size/comfort/price ratio that is difficult to match.

The boat is in excellent general condition, with overhauled engines (over € 80,000 of demonstrable interventions) and numerous recent updates: 2023 LED underwater lights, new 2023 fly throttles, 2024 bow cushions, 2023 carpeting, furniture painting, complete deck polishing. Superior equipment such as bow thrusters, air conditioning, satellite TV, Bose stereo system, two helm stations make this unit ready for use, without compromise.

### Interior description

The interiors of the Ferretti 590 are striking for brightness, spaciousness and elegant atmosphere, typical of Ferretti production. The living room is large and welcoming, with opposing sofas, a well-separated dining area and large glass surfaces that guarantee natural light and livability even in the roadstead or in port.

The galley is complete and functional, equipped with dishwasher, washer-dryer and microwave, an ideal configuration for both owner's use and for long cruises. The sleeping area offers spacious and well-insulated cabins, with full-beam master cabin, private bathroom with separate shower cubicle and quality finishes. The guest cabins maintain the same standard of comfort, with dedicated bathrooms and excellent interior height.
