## Description

The company PHILIPPE PLAISANCE – 100 % voiliers is pleased to offer you a DUFOUR 512 GL from 2017, in a 3 cabin / 3 bathroom version. An elegant and racy sailboat on the water, it seduces just as much by the quality and refinement of its interior fittings. This 2017 unit is in excellent condition and particularly overequipped. In the cockpit, you will enjoy total comfort with plancha, sink, ice maker and elegant upholstery. On deck, the boat is equipped with a furling mainsail, an electric furling genoa, a Code 0, a sail hold, three electric winches, solar panels, a fore sundeck and the latest generation RAYMARINE electronics with several GPS screens. Inside, the comfort is on par with the large cruising units: 8 kW generator, two refrigerators, air conditioning, Webasto heating, three bathrooms, Bluetooth Fusion Hi-Fi system, pop-up TV and dim LED lighting, among other equipment. This sailboat has only 750 engine hours and offers a rare and particularly appreciable asset: a front and rear hydrojet system, greatly facilitating maneuvers in port. Berth and handover possible.
