## Description

---

Greenline 48 Fly combines extraordinary performance, elegance and energy efficiency, thanks to the presence of the solar panels that distinguish the Greenline Yachts line.

The fusion of flowing lines, thoughtful details and the vast aft platform makes this boat majestic and functional.

The flybridge is among the widest in its category and includes, in addition to a functional helm station, also an outdoor dinette with sofas and barbecue.

The living area is a refined and welcoming space that includes a comfortable living room equipped with a kitchen equipped with high-end appliances and a large convivial area complete with comfortable sofas and tables.

Finally, below deck there are elegant rooms including the owner's room, two double bedrooms, the crew cabin aft and three bathrooms.

With its combination of high-end performance, comfort and a small carbon footprint, this boat is ideal for those looking for versatile and sustainable sailing.
