The forward owner's cabin features an impressive 212 cm-wide berth. Designed by Cossutti Yacht Design and built to last, the MORE 40 is constructed using epoxy-vinylester resin infusion with a high-density sandwich structure, a demountable steel structural grid for mast, keel and chainplates, composite forward and aft bulkheads, lead keel, deck-stepped mast, bowsprit, retractable footrests, recessed German-style mainsheet system led below deck, flush deck hatches and headsail furler, with hull windows fitted as standard.

Launched in April 2022 in the 3-cabin, 2-head layout, this MORE 40 is well equipped, featuring B&G electronics with autopilot and GPS, removable cockpit table, sprayhood, bimini top, double refrigerator, exterior and navigation LED lighting, and a Hi-Fi sound system. Among the most recent upgrades, the sails were replaced in 2022. Ready to sail - Check the full brochure, the video and the sea trial on our Web site
