## Description

Bavaria Virtess 420 Coupe: When comfort is not a luxury, but a smart choice. If you are looking for real space to enjoy the sea with your family or partner, this Virtess 420 is the answer. Three real cabins, two bathrooms, bright and tastefully finished interiors.

You have total freedom and control: bow and stern thrusters for easy manoeuvring even in tight spaces. And while others choose between sportiness and relaxation, you can have both: it's a coupé with a sun deck on the hard top.

Everything you need is already on board: reversible air conditioning, complete electronics, comfortable passageways, liveable spaces.

Discover how to turn every weekend into an experience to enjoy together.
