Description

The Saxdor 340 GTWA sets a new standard in terms of design and functionality for all-weather navigation. This walkaround model seamlessly blends the pleasure of being outdoors with protected comfort, offering a safe and weatherproof space that keeps you sheltered in any situation. As the only wheelhouse walkaround model in its class to feature large side terraces, it offers spacious walkways and a large open area that make it easy to move and relax when open. The bow sofa and sundeck on the aft deck are delightful spots to relax and enjoy the breeze. The ergonomic helm station features a front sofa for three people, ensuring excellent visibility and comfort. When the boat is stationary, the sofa can be rotated to create a cozy dinette, perfect for indoor socializing. The lower deck includes a spacious double cabin forward with separate toilet and an aft cabin for two, both of which have large windows that flood the interiors with natural light. Enjoy your time on the water without interruption with the Saxdor 340 GTWA Walkaround, no matter the weather.
