Description

The Saxdor 400 GTO is designed to deliver exceptional performance and cruising efficiency. Built on a double-step hull and designed for twin outboard motors, this boat guarantees an exciting sailing experience. The full-width open wheelhouse maximizes interior space and allows direct access to the side terraces, creating a "private island" effect during stops. The lower deck accommodates a spacious double cabin forward, a separate bathroom, an option for a children's cabin and a double cabin amidships. Each room is finished with style and attention to design. Contact us for more information.
