Description

The Saxdor 400 GTS offers the ultimate open-air experience: a full walk-around deck, a sleek steering console protected by glass and folding terraces that blur the boundary between boat and sea. With modular seating and convertible sundecks, every moment on board is transformed, whether you want to relax, socialise or race at full throttle. The 400 GTS is powered by two outboard engines (up to 850 hp) and sails on a double-step hull with a 21° V, ensuring dynamic speed and exceptional responsiveness. Built with a lightweight fiberglass technique with vacuum infusion, it is designed for maximum comfort even during the longest days at sea. Do not hesitate to contact us to book yours!
