

SALE PRE OWNED

colombo Super indios 31 ht

68 000 € ALL TAX INCLUDED

Description

Colombo has always represented one of the excellences of Italian boating. Its boats built on Lake Como are a symbol of reliability, elegance and prestige. The hulls are designed to ensure dry navigation even in adverse weather and sea conditions.

This example belongs to the Super Indios series in the Hard Top version. In fact, the deckhouse is distinguished by the absence of a fly deck and the presence of a soft-top that allows the internal environment to be transformed into one with the external one.

This boat is in good general condition thanks to the various attentions of the owner. The upholstery was redone in 2025.

More information available on request.
