

SALE PRE OWNED

riva Diabale 50

PRICE UPON REQUEST

Description

The Riva 50 Diabale was born in the eighties from the proven hull of the Superamerica motoryacht. At the time, this project represented Riva's response to the growing demand for a sports boat for fast travel. The end result is a boat that is snappy but at the same time easy to maneuver and comfortable in the large and refined interior spaces. The model in question is only one of the 30 examples built and is in excellent condition as it was totally refitted in 2014. The intervention was followed by a yacht designer who, at the request of the current owner, revised both the deck and interior spaces in a modern key. Among the various works carried out are:

- new Cummins engines (2x550) from 2014 with 680 hours
- installation of rigid carbon T-Top that protects the cockpit
- renovation of the on-board systems (hydraulic and electrical)

It is therefore a unique Diabale of its kind, capable of still fascinating, with its sleek line, Riva enthusiasts.

More information available on request.

Navigation equipment:

Electronic engine control.

Staging and technical:

Water pressure pump, Shore power cable, Special Colour, Safety rail, Deck Shower, Hydraulic Flaps, Underwater lights, Fenders, Gangway, Platform, Automatic Bilge Pump, Manual Bilge Pump, Shorepower connector, Rollbar, Electric Windlass, swimming ladder, cockpit table, guard rails with gates, Horn, T-Top.
