Description

XBOAT ref :6258.Harmony 42

I bought this boat in 2013, it had not 500 hours. Since then, it has been our faithful cruising companion and so far, it has never let us down! Very well designed, it does not take in water in heavy seas and is very maneuverable.

On a practical level, there is nothing to say. With its 200l fridge! Its large capacity fuel tank and its split cockpit to improve accessibility to the swim platform, it is superbly well thought out!

Below, a non-exhaustive list of the many improvements it benefits from:
Preventive Epoxy treatment carried out in 2013

Max prop propeller

AIS transceiver and EPIRB beacon

New stainless steel bow fitting and recent mooring in 10 chain with Kobra 10kg anchor...
