nuova jolly marine Prince 38 sport ca 450 000 € ALL TAX INCLUDED

Description

The Prince 38 Sport Cabin – Year 2025 is a one-of-a-kind boat, the first example of a limited series, designed for those who want to stand out without compromise. With an overall width of 11.80 metres, this model redefines the concept of a luxury sport boat, combining extreme performance, exclusive design and obsessive attention to detail. The custom metallic Champagne paint enhances the taut and muscular lines of the hull, perfectly matched to the three Mercury Verado 400 Racing engines, also with custom Champagne paint, for impressive overall power and an out-of-scale aesthetic impact. It is a boat that stands out before it even starts its engines.

The solid teak deck, the T-Top with integrated awning and carbon poles, the custom steel mills and the dedicated bollards tell the story of a project built without compromise. The technical equipment is reference-by-reference: 16" Raymarine GPS, Raymarine radar, VHF, EPIRB, bow thruster and an advanced electrical system with remote-controlled electric battery switches (5 batteries), designed for total reliability and safety.

The comfort is that of a true day & weekender flagship: air conditioning, double aft shower (one in Elka Design Deck Shower 7080GAPC carbon and one removable with stainless steel compartment), electric winch with radio control, chain counter, anchor and chain in polished stainless steel. On board you will find double fuel tank, maxi water tank with boiler, 100-liter refrigerator and icebox with independent compressor. A state-of-the-art Hertz stereo system with amplifier and subwoofer completes the picture, to experience the sea with maximum
