## Description

---

Wellcraft 28 Explorer. A Fast and Safe "SUV of the Sea" All Year Round. Wellcraft 28 Explorer, a boat that masterfully combines offshore performance and intelligent habitability. This is not just a boat for summer holidays: thanks to its protective and versatile architecture, it is the ideal means of experiencing the sea 365 days a year. The unit, featuring a sleek blue hull, is powered by a single 300 hp Mercury engine, a choice that balances power and efficiency. Sprinter Performance and Total Safety Don't let comfort fool you: this boat has a sporty heart. Designed for offshore sailing in total safety, the high-performance hull allows it to reach speeds of up to 50 knots. It is the ideal companion for those who love adrenaline but do not want to give up tranquility, approved to comfortably accommodate:

- 9 people in Category C
- 7 people in Category B

Intelligent Layout and On-Board Comfort The Wellcraft 28 Explorer surprises with its use of space, offering solutions worthy of larger boats:

- **The Convivial Bow:** The front area is much more than just a passageway. You will find a cozy open-air lounge with a comfortable loveseat, a large sundeck and a central table. It is the perfect place for lunches with friends, aperitifs at sunset or simply to relax while you are at anchor.
- **Versatile Aft Area:** A large aft sundeck invites you to relax, but hides a secret: below is a comfortable cabin with two beds, perfect for weekends out of town or afternoon naps.
- **Services:** Maximum practicality thanks to the marine toilet located in
