Description

Fountaine Pajot Power 80 – Luxury Motor Catamaran

The Fountaine Pajot Power 80 is the flagship motor catamaran of the Fountaine Pajot motor yacht range, designed to bring superyacht-level comfort, space, and performance to the world of power catamarans. At nearly 24 metres in length with a beam of 11.09 m, the Power 80 combines elegant lines with generous interior and exterior volumes, offering a cruising experience that rivals the most prestigious yachts. Its design delivers expansive living spaces, including panoramic deck areas, a large flybridge with helm stations and lounge zones, and aft spaces that can be configured for relaxation or entertainment.

Performance and Engineering

The Power 80 is powered as standard by two 480 hp engines, with optional upgrades up to two × 900 hp, making it capable of both comfortable long-distance cruising and impressive performance at sea.

These propulsion options allow confident long-range passages and efficient navigation, with hull lines optimized for smooth handling and stability.

Interior and Layout

The interior layout can be tailored to different cruising programs: Owner's configurations offering luxurious master suites and ensuite guest cabins

Charter-oriented layouts with multiple double cabins for family or guest use

Depending on chosen layout, the Power 80 can accommodate multiple
