

SALE NEW

ranieri Sauvage 34 – barca espositiva

PRICE UPON REQUEST

Description

Sauvage 34 is the expression of the excellence of the Ranieri Shipyards: refined design, on-board comfort and high-level performance. Born from the passion of those who have always lived the sea, this elegant coupé is the result of years of design, experience in the field and in-depth knowledge of the owner's needs.

Built entirely by hand, the Sauvage 34 uses advanced materials and fine construction solutions. Hull, hull and hard top can integrate Kevlar fibers on request, ensuring strength, reliability and excellent stability and maneuverability even in demanding conditions.

The interiors and exteriors are cared for down to the smallest detail, with materials selected for comfort and durability: fine woods, quality finishes and Sunbrella fabrics as standard, resistant to UV rays and the marine environment, for a sober and timeless elegance.
