

SALE PRE OWNED

rodman 11.20 fly

57 500 € ALL TAX INCLUDED

Description

Discover this superb Rodman 11.20 Fly, a motorboat renowned for its robustness and excellent seaworthiness, ideal for family cruising or fishing trips. This 2000 model, flying the French flag, benefited from significant upgrades in 2024 to offer modern comfort and enhanced mechanical reliability.

The highlight of this boat is its level of equipment, rarely matched at this price point. While the engines have high hours, the recent replacement of the turbos and exhaust elbows in 2024 ensures immediate peace of mind. It's a ready-to-sail boat, offering the comfort of a much newer vessel thanks to its air conditioning and brand-new equipment.
