Description

Sweden's Yacht 34 – Sport Version | Built in 1979

For sale is a Swedish Yacht 34 in the sporty version, built in 1979.

This yacht stands for classic Scandinavian boatbuilding: solidly constructed, seaworthy and with clean lines – just as it was done right back then.

The ship is in an age-appropriate condition.

Visual signs of wear are present and underline the authentic character of an almost 50-year-old cruising boat. Not a blender yacht, but an honest substance for owners who know what they are buying.

The Sport version offers firmer lines and good sailing characteristics – ideal for ambitious cruising sailors who value performance and stability.

The interior is classic, functional and offers the proven room layout of this series.

Conclusion:

A solid, proven ship with character. Ideal for connoisseurs who put substance before gloss and are looking for a classic yacht with potential.
