Description

Dufour 380 Grand Large – 2014

Powered by a Volvo Penta D2-40 with Sail-Drive and a folding two-blade propeller, this Dufour 380 GL benefits from impeccable mechanical care. All maintenance has been carried out meticulously, and the full set of invoices is available.

This second-owner sailing yacht stands out for its excellent overall condition. Launched in 2014, it is one of the most sought-after models in the range and is available without delay. Ideal for Mediterranean cruising or for a buyer looking for a reliable, well-maintained yacht, it has been serviced annually by professional technicians.

The 40-hp engine has just undergone a full service, making the boat fully ready to sail. Designed with comfort, safety, and ease of handling in mind, it offers a pleasant and reassuring sailing experience.

The interior and deck layout provide remarkable comfort, combined with a functional design that will appeal to demanding sailors.

Noteworthy: the running rigging was renewed in 2024, ensuring even greater reliability under sail.

A berth may also be transferred in the Alpes-Maritimes (06), Var (83), or Italy, with pricing depending on the specific marina—an increasingly rare opportunity.

This Dufour 380 GL truly represents an opportunity not to be missed.

Feel free to request additional information or arrange a viewing.

Available for viewing 7 days a week in Antibes.
