bavaria yachts 31 cruiser

64 000 € ALL TAX INCLUDED

Description

Bavaria Cruiser 31 from 2008.

This cruising sailboat is well-known for offering an excellent balance between comfort, safety and performance. It is equipped with a Volvo Penta D1-26 engine with only 881 hours of use, and a full service will be carried out for the 2026 delivery. The mainsail and genoa were replaced in 2025, the sprayhood and bimini are from 2024, and the liferaft is valid until 2027.

The interior of this Bavaria 31 Cruiser is in exceptional condition, comparable to new. The boat features two true cabins, a forward cabin and a large aft cabin, complemented by a convertible saloon that allows comfortable accommodation for up to six people. The interior is bright and warm thanks to light woodwork and numerous portholes. The L-shaped galley is fully equipped with a two-burner stove, an oven, a top-loading refrigerator and plenty of storage. The spacious and practical bathroom includes a marine toilet. With approximately 1.82 metres of headroom, life on board remains very comfortable, even during extended cruises.

This model is also appreciated for its easy access aft and, depending on the configuration, its swim platform, ideal for swimming and extended anchoring.

Viewings are available 7 days a week by appointment with Star Yachting. A berth is immediately available for rental in the 06 area.
