Description

26-meter luxury trawler-type motor yacht, built in 2015 and refitted in 2023, designed to offer maximum comfort and an excellent quality of life on board. She accommodates up to 10 guests in 5 spacious cabins, including 3 master cabins and 2 twin cabins, all with private en-suite bathrooms.

Designed for long-range cruising and premium charter operations, this yacht stands out for her excellent stability, generous interior volumes and perfectly balanced outdoor spaces. The bright and welcoming main salon is complemented by both interior and exterior dining areas. The flybridge offers an ideal relaxation area with sunbathing spaces, dining area and panoramic views.

Powered by twin Caterpillar 540 HP engines, she cruises comfortably at around 12 knots. Her autonomy, functional layout and full equipment package make her perfectly suited for both private use and professional charter operations in the Mediterranean.
