Description

This Saxdor 320 GTO model 2025 is in impeccable condition, with very few hours of use. The gray hull combined with the Florida blue upholstery creates an elegant and modern contrast, further enhanced by the synthetic teak flooring. The folding bulwarks and the dinette that can be transformed into a large sundeck make this sporty walkaround extremely versatile: perfect for fast cruising at 30 knots as well as for relaxing stops at anchor. Below deck, a forward double cabin with separate electric toilet ensures comfort and privacy. Completing the equipment is a premium audio system from bow to stern with subwoofer and an induction plate on deck. Immediately available, a must see.
