Description

--- DAILY, WEEKLY, MONTHLY RENTAL ---

DESIGNED TO EXPLORE NEW HORIZONS

The Swift Trawler 48 will win you over with its personality, its equipment and its optimized living space.

The cockpit consists of a large transverse sofa and a folding table. This space has been designed to offer maximum comfort and functionality.

Access to the stern is via a double door that gives access to an optional large hydraulic bathing platform.

The 20 m² flybridge offers a pleasant panoramic living space. The helm station and its central seat are surrounded by 2 sofas that allow the whole crew to stay together.

In this relaxation space there is also a dining area and a bar.

On the foredeck, a sundeck that can be converted into seats is available as an option. The asymmetrical arrangement of the bridge allows for a wide and well-sheltered walkway to starboard with a protective gunwale.

Space and light characterize the new fittings of the Swift Trawler 48.

Andreani Design has completely revised the interior and layout.

The main square is perfect for relaxing and having fun. There is a large kitchen with plenty of storage space, as well as a comfortable dining area that can be transformed into a double berth to accommodate passing guests.

The raised U-shaped saloon allows the crew to enjoy panoramic views.

On the lower deck, the master cabin has a large double bed, large storage areas and a bathroom.
