

SALE NEW

astondoa 577 coupe

PRICE UPON REQUEST

## Description

---

Astondoa 577 Coupé, a new generation model and new for the 2026 season, represents the perfect balance between sportiness, elegance and comfort on board. Its sleek, sculpted profile, combined with its distinctive coupé design, gives the boat a strong personality and an instantly recognisable presence at sea.

The V-shaped hull guarantees smooth, stable and efficient navigation, offering maneuverability and safety even at the most sustained speeds. The cockpit is enriched by the opening side rails, an element of great value that significantly expands the floor area and creates a real terrace overlooking the sea, transforming the outdoor living area into an open, bright space perfect for relaxation and conviviality.

The interiors, with attention to the smallest details, house two comfortable cabins, designed to maximize space, natural light and privacy. High quality materials, handcrafted finishes and a wide range of customisation options allow each model to reflect the style and personality of the owner.

An authentic expression of Astondoa's tradition and innovation, the 577 Coupé is a boat designed not only to sail, but to be experienced.

### ACCESSORIES

Exterior:

- Underwater lights (3)
- Teak on the sidedecks and bow
- Teak in the bathing platform
- 65L refrigerator under the rear driver's seat
- Ice maker in the outdoor kitchen cabinet
