Description

On display at dealerships

New 2026 edition: The TR6 model from 3D Tender equipped with a Suzuki DF100 engine in the Premium HYPALON version! Available for the 2026 season

The TR6 Premium from 3D Tender, measuring 5.90 m, offers the perfect balance between maneuverability and space on board. Ideal for versatile use, it can be easily transported on a trailer without requiring a specific license.

The ultra-resistant Hypalon option makes it a boat that is ready to take on any challenge, with a refined style.
