## Description

---

Fair Play is a 27-meter yacht built by the CODECASA shipyard in Viareggio and delivered in 1977, it was designed by De Vries Lentsch with Ugo Codecasa for naval architecture. Its maximum speed is 15 knots and a cruising speed of 13 knots, powered by two 475 hp General Motor 12V71N diesel engines, which guarantee it safe and quiet navigation, assisted by stabilizers that amplify its exceptional outdoor livability. However, what struck me about this shuttle after the first glance at that stern of yesteryear, was the very elegant and warm atmosphere of the interiors, Fair Play can accommodate up to 8 people in the 4 double cabins equipped with en suite bathrooms, guaranteeing absolute privacy that since the owner's cabin, the VIP and the two double cabins are located on different floors and have distinct accesses. The crew quarter comfortably accommodates 4 people. Call for a virtual tour or for me to accompany you on board.

Navigation equipment:

Radar Antenna, Chain counter, Control panel, Co-pilot seat.

Staging and technical:

Engine Alarm, Bilge Alarm, Water pressure pump, Teak Side Decks, Shore power cable, Deck Shower, Anchor Chain Washdown, Courtesy Lights, Fenders, Gangway, Deck Wash Pump, Seawater Pump, Teak deck, Entry door, Side door, Teak Cockpit, Shorepower connector, Water harbor connector system, Electric Windlass, Gang Board, swimming ladder, Stabilizers, cockpit table, Horn, Stern Winches, Bow Winches.
